

2016 AIA Cleveland Beach Day

Volleyball Competition Rules

1. Participation fee is \$250 per team and must be paid upon registration (early bird discounts apply). Cash prizes will be awarded to the top two finishers of each bracket: Champion (\$600), Championship Runner-Up (\$450), Consolation Champion (\$300), Consolation Runner-Up (\$150).
2. Teams of all abilities are welcome and all reasonable accommodations will be made to ensure enjoyable competition. Tournament is a co-ed, seeded tournament with round-robin group play followed by two separate double-elimination tournaments—ensuring all teams of at least five matches.
3. Seeding for the championship tournament will be determined by team record in group play, with ties settled by “rock-paper-scissors”. The top eight finishers will be seeded into the “championship” tournament and the remaining teams will be seeded into the “consolation” tournament.
4. Teams may be submitted by one or more companies, firms, or organizations. All employees, ongoing consultants, and spouses are eligible to compete. Team members must be affiliated with the organizing company. A company may submit more than one team, but no individual may participate on more than one team.
5. Individuals without a team may register for the tournament as a “free agent” and will be assigned to a team by event organizers.
6. Teams must play with at least four participants on the court and not more than six, with at least two of the participants being women. Unlimited substitutions may be made at the server position only. Players must play a full rotation prior to subbing out (injured players may sub out from any position).
7. Team check-in begins at 9AM, with the first matches beginning at 10AM and rolling match starts thereafter. If at least four players (including two women) are not present within five minutes of the announced start of the match, the set will be forfeited. If the team has not arrived after ten minutes the match will be forfeited.
8. Tournament will observe rally scoring. Winner’s bracket matches will be determined by prevailing in best-of-three sets, with sets 1 & 2 being played to 21 (win by two, cap at 25) and the third to 15 (sudden death). All round robin and consolation matches will be one set, played to 30 (win by 2, no cap).
9. Scooping, lifting, pushing, or allowing the ball to roll on the body will be considered a held ball. Attacks can only be done by front row players, while blocking can be done by any player on the court. Serves may be initiated from any point behind the end line and may not be attacked.
10. “Rock-paper-scissors” will be used to determine side and serving order. The winner chooses side or serve, the loser chooses the remaining option; side and service order are switch at the end of each set.
11. (2) 30-second timeouts may be used by each team during a match. Injuries automatically qualify as a timeout.
12. Matches will be officiated by experienced referees who will not tolerate abuse directed at either referees or players. Offending participants will be issued a warning and then disqualified from the tournament with a second violation of this rule. Particularly egregious or harmful behavior (major infraction) will result in the immediate disqualification of the competitor without warning. Adherence with all Metroparks rules is required.
13. Any appeals should be formally lodged with the competition committee, who will make a swift decision. All decisions by the competition committee are final.
14. All competitors are required to sign a waiver, releasing AIA Cleveland from any liability associated with their participation in the tournament.
15. Teams are responsible for bringing their own beverage coolers and shading devices. No glass containers or alcoholic beverages are allowed on the beach. All teams are responsible for the removal of their shading devices, trash, and recyclables prior to their departure.
