2017 AIA CLEVELAND SERVICE AWARDS

ACTIVISM AWARD

To recognize local emerging leaders who are influencing a sustainable future of the profession by making architecture/interior design accessible and relevant to the public while both educating and learning from the broader community. A nominator is welcomed, however, candidates may self-nominate for this award.

EMERGING PROFESSIONAL AWARD

To recognize the next generation of designers and professional leaders as they contribute, develop, and refine their skills in the workplace. A nominator is welcomed, however, candidates may self-nominate for this award.

Individuals selected for the Activism and Emerging Professional Awards will be recognized on stage at the 2017 AIA Cleveland Design Awards. In addition, winners will be featured on the AIA Cleveland website and will also receive a monetary stipend.
